AUTO BANK DRAFT

A Free & Convenient Way to Pay Your Bill

What is Auto Bank Draft?

Auto Bank Draft automatically pays your bill each month directly from your bank account.

Will I still pay a quarterly bill?

Auto Bank Draft is done on a monthly basis. For example, if your quarterly bill is \$75.63, you will now pay \$25.21/month.

When will you begin to automatically withdraw my bill amount(s) from my bank account?

Your account(s) must be at a zero balance before the auto bank draft can begin. Thereafter, drafts occur on the **4th day of each month** unless it falls on a weekend or holiday in which case, the draft occurs the next business day.

Will I still receive a sewer bill in the mail?

No. However, you can log-on to your account at www.fsd.co to view your bill.

Can I still make a manual payment while enrolled in Auto Bank Draft?

It is not recommended to make a manual payment while enrolled in Auto Bank Draft as it will cause account issues. If you need to cancel Auto Bank Draft, submit your request in writing or email us at mybill@fsd.co

What are the benefits of Auto Bank Draft?
