Fremont Sanitation District (FSD) is soliciting sealed bids (Bid Request 2026-15) for miscellaneous concrete work for 2027. The work will consist primarily of replacing curbs & gutters, sidewalks, street cross pans and alley pans. Most of the work will be in Cañon City and must comply with all current Standard Construction Specifications. In the event work is to be performed in Florence, work must comply with the City of Florence Specifications. The successful contractor will be responsible for complying with all legal requirements to perform the required task, including but not limited to the following: licensing, permits, compaction testing, locate requests and traffic control. All work will be covered by a two (2) year warranty during which time any failures will be repaired by the contractor at no additional cost to FSD. If for any reason the work cannot be completed in the agreed time, FSD reserves the right to contact the next lowest qualified contractor. Your bid is to include:

R&R curb & gutter, with flowable fill support wedge at alley crossings, (stand up and mountable) price per lineal foot.
R&R sidewalk, price per square foot (4 inches and 6 inches thick).
R&R street cross pan, price per square foot, 8 inch.
R&R alley pan, price per square foot (8 inches thick).
Flow fill, price per cubic yard.
Contractors must be insured, licensed, and bonded. The successful contractor will be required to provide a Certificate of Insurance naming Fremont Sanitation District as "Additionally Insured" and enter into a Service Agreement (contract) with FSD. Contractor shall keep insurance in force at its own expense during the entire period covered by the Service Agreement and such liability insurance as will protect it from all claims, including claims under workmen's compensation, and other employee benefit laws, for bodily injury and death, and for property damage, that may arise out of work performed under this Service Agreement, whether directly or indirectly by Contractor, or directly or indirectly by any employee or subcontractor of by Contractor. The minimum liability limits of such insurance shall be not less than $1,000,000.00 per person and $1,000,000.00 per occurrence for bodily injury and $1,000,000.00 for property damage. Workmen's compensation and employer's liability limits shall satisfy all applicable State of Colorado and Federal statutory requirements. Proof of such insurance shall be filed by Contractor with the District immediately after execution of the Service Agreement and prior to the commencement of any work associated with the Service Agreement."

Additional work that is not listed above will be negotiated with the successful contractor prior to project commencement.

This contract is to stay in effect for a period of **one year** from the contract award date of January 1, 2027. Please return sealed bids to FSD Service Center at 107 Berry Parkway, Canon City, CO 81212 by 1:00 p.m. **Tuesday December 1, 2026.** Clearly mark the front of the envelope **"Sealed Bid Request #2026-15"** and **"Do Not Open"**.
