

# ZERO DISCHARGE COMPLIANCE REPORT AND CERTIFICATION FOR INDUSTRIES WITH CATEGORICAL PROCESSES

(PLEASE COMPLETE ONLY ONE OF THE STATEMENTS BELOW)

1. I certify under penalty of law that, \_\_\_\_\_ located at \_\_\_\_\_ has not discharged any regulated process wastewater to the sanitary sewer system, from any category regulated pursuant to Section 307 (b) and (c) of the Clean Water Act since the last certification statement dated \_\_\_\_/\_\_\_\_/\_\_\_\_.

I understand that discharge of regulated process wastewater to the sanitary sewer system is prohibited without a wastewater permit and that the Fremont Sanitation District must be notified in writing, at least 90 days prior to any changes in process operation(s) which would result in a discharge to the sanitary sewer system.

I further certify that there are no significant and/or regulated industrial process operations being conducted at this facility which discharge wastewater to the Fremont Sanitation District. Based on my inquiry of the person or persons who manage the facility, or those persons directly responsible for gathering the information, the information in this Zero Discharge Compliance Report and Certification is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
